ENDORSEMENT

Honourable Paul Mayer

A Case Management Conference (CMC) was held by teleconference on June 27, 2018, at 4:30 P.M., Eastern Time (Ottawa).

[1] The Claimant undertook to serve and file its forensic accounting expert report with the Respondent and Tribunal on or before **July 4, 2018**, and its historical expert report by mid-August 2018.

[2] The Respondent undertook to serve and file a copy of its appraisal expert report with the Claimant and Tribunal on or before **July 16, 2018**.

[3] The Parties advised that the forthcoming reports may reveal a potential jurisdictional issue and/or require an amendment to the pleadings. This will be discussed at the next CMC, along with whether either Party wishes to bifurcate the Claim, and if the Respondent intends to retain any experts to prepare reports. A more concrete timetable is to be agreed upon at that time as well.

[4] The next CMC will be held by teleconference on **September 13, 2018**, at 4:30 P.M., Eastern Time (Ottawa).
