**ENDORSEMENT**

**Honourable Paul Mayer**

A Case Management Conference (CMC) was held by teleconference on December 20, 2018, at 4:00 P.M., Eastern Time (Ottawa).

[1] The Claimant and the Respondent are still discussing the proposed methodology for their joint engineering expert to determine the quantity of sand and gravel allegedly removed. They will report back on their progress at the next CMC.

[2] The Claimant will indicate when its historical report will be completed before the next CMC.

[3] The Respondent has yet to decide if it is getting a historical report, it will report back on this issue at the next CMC.

[4] Before the next CMC, the Parties will file with the Tribunal a draft Agreed Statement of Issues and be prepared to speak to the evidence regarding each issue.

[5] Should the Parties be unable to find consensus on certain issues, they will raise these with the Tribunal at the next CMC.

[6] The next CMC will be held by teleconference on **March 5, 2019**, at 4:30 P.M., Eastern Time (Ottawa).
