ENDORSEMENT

Honourable Paul Mayer

A Case Management Conference (CMC) was held by teleconference on May 17, 2018, at 4:30 P.M., Eastern Time (Ottawa).

[1] The Respondent has retained Mr. Dave Gurnsey to provide a responding expert report and anticipates that his report will be completed on or before **June 29, 2018**.

[2] The Parties indicated that they will try to resolve the Claim between themselves within thirty days of the delivery of the Respondent's responding expert report to the Claimant. Should they be unsuccessful in doing so, they may wish to turn to an independent third-party mediator or mediation through the Tribunal to assist.

[3] The Respondent will continue to work with the Claimant towards completing the Common Book of Documents, Agreed Statement of Facts and Agreed Statement of Issues. The completion of these documents will also assist the Parties in determining whether or not mediation is a possibility.

[4] The next CMC will be held by teleconference on **August 8, 2018**, at 4:30 P.M., Eastern Time (Ottawa).
