

the next CMC, including whether the Agreed Statement of Facts is complete (as filed June 17, 2014) and the process for preparation of a Common Book of Documents.

[2] The Claimant indicated that it is considering the development of jurisprudence on the compensation issue in other claims currently before the Tribunal where hearings are imminent on that question.

[3] The next CMC will be held by teleconference on **February 15, 2016**, at 10:00 A.M. Eastern Time (Ottawa).
