ENDORSEMENT

Honourable W.L. Whalen

A Case Management Conference (CMC) was held by teleconference on April 9, 2018, at 12:00 P.M., Eastern Time (Ottawa).

[1] The Claimant reported that it had received its expert loss of use report, which it was in the process of reviewing for purposes of finalization. The Respondent confirmed that it would need to review the Claimant’s expert report in order to determine whether it will require an expert to respond.

[2] There was general consensus that until expert reports are complete, questions of bifurcation, a separate expert hearing, potential of mediation and completion of an Agreed Statement of Facts, Agreed Statement of Issues and Common Book of Documents cannot be determined. Progress will be reviewed at the next CMC.

[3] The next CMC will be held by teleconference on **May 18, 2018**, at 2:00 P.M., Eastern Time (Ottawa).

W. L. WHALEN
