ENDORSEMENT

Honourable W. L. Whalen

A Case Management Conference was held by teleconference on June 1, 2018, at 12:00 P.M., Eastern Time (Ottawa).

[1] The Parties reported that they were considering a specific settlement proposal made by the Claimant. Respondent’s counsel outlined the administrative process that must be followed for approval by Canada. This is presenting both technical and timing difficulties.

[2] The Parties confirmed that they remain committed to the mediation process undertaken and the general result achieved. They agreed to work cooperatively toward a mutually satisfactory conclusion.

[3] A Pre-Hearing Conference will be held by teleconference on **June 29, 2018**, at 12:00 P.M., Eastern Time (Ottawa). In the meantime, the Parties are encouraged to file a Joint Status Report with the Tribunal on their progress and any suggestions they may have in moving forward as they may agree would be helpful.

[4] The hearing of the validity of the Claim remains scheduled for July 12-13, 2018, in Tofino, British Columbia.
