Dear Ms. Green:

Re: Eel River Bar - SCT-1001-15 – Withdrawal of Claim

Please be advised that in light of our intention to file a complete claim under the provisions of the Specific Claims Policy and Process Guide with the Minister of Indigenous Affairs, I have obtained instructions by Band Council Resolution dated January 27, 2016 from my clients to withdraw the Eel River Bar First Nation Declaration of Claim filed with the Specific Claims Tribunal, and certified as Eel River Bar - SCT-1001-15.

This is to request that the Declaration of Claim Eel River Bar - SCT-1001-15 be withdrawn.

Yours very truly,

Delia Opekokew
